

Wembley Downs Soccer Club Spectator, Parent/ Guardian Code of Conduct

As a spectator, parent/ guardian at Wembley Downs Soccer Club, I will:

1. **Have Fun!** Enjoy every game and training session while supporting the players.
2. **Encourage Participation.** Support my child's involvement in football without forcing them to play.
3. **Focus on Effort.** Celebrate my child's efforts and improvements rather than just wins or losses.
4. **Respect the Rules.** Encourage fair play and teach my child to settle disagreements amicably.
5. **Show Respect to Officials.** Always respect referees and coaches; if I disagree with a call, I'll address it calmly later.
6. **Keep It Positive.** No shouting or negative comments; I will promote encouragement and sportsmanship.
7. **Support All Players.** Acknowledge great plays from both my team and the opposition.
8. **Model Good Behaviour.** Remember that children learn by example; I will act respectfully towards everyone.
9. **Communicate Appropriately.** Discuss any concerns with coaches or club staff through proper channels, not immediately after games.
10. **Stay in Spectator Areas.** I will not enter the field of play at any time and will remain in designated areas during matches.
11. **Engage in Healthy Conversations.** After games, I will avoid negative discussions about performance and instead talk about other topics.
12. **Respect Everyone's Rights.** Treat all players with dignity, regardless of their background, ability, or beliefs.
13. **Report Concerns.** If I witness any inappropriate behaviour, I will report it to club officials promptly.
14. **Take Care of Club Property.** Respect the facilities and belongings of others at the club.

I understand that following the Code of Conduct is a requirement of my membership. The Club is committed to working with its members to ensure compliance and will take any necessary actions to protect and support our community-focused environment
